<p>Pending Order is an Order to be executed at a later time at the price that the Client specifies. The Company will monitor the Pending Order and when the price provided by the Company reaches the price specified by the Client, the Order will be executed at that price. The following types of pending Orders are available: 'Buy Limit' (an Order to purchase a Financial Instrument at or below a specified price), 'Buy Stop' (an Order to buy a Financial Instrument, which is entered at a price above the current offering price; it is triggered when the market price touches or goes through the buy stop price), 'Sell Limit' (an Order to sell a Financial Instrument at a specified price or better), and 'Sell Stop' (an Order to sell a Financial Instrument when it reaches a certain price). The Client may attach to any Pending Order a Stop Loss and/or Take Profit.</p>	<p>Pending Order is an Order to be executed at a later time with regard to the price that the Client specifies.
